Incident Management Team (IMT)

A Ministry of Stewardship and Protection

Safe Environment Training Requirement

If you have not yet completed the required Safe Environment Training, please plan to attend one of the following sessions:

- **Sunday, March 10, 2024**
3:00 PM – 5:00 PM (English)
- **Saturday, April 6, 2024**
10:00 AM – 12:00 PM (Spanish)

Completion of this training is required before serving.

Why the IMT Matters

The Incident Management Team plays an important role in helping our parish respond calmly and effectively in unexpected situations. Through preparation and teamwork, we strengthen our ability to care for one another in moments when it matters most.

Your participation helps build a safer, more confident, and more prepared parish community.

We are grateful for your service.

A Ministry of Stewardship and Protection

Serving on the Incident Management Team is more than preparation — it is stewardship. We are entrusted with caring for God's house and the people who gather within it. Through readiness, calm leadership, and attentive presence, we help ensure that Our Lady of the Rosary remains a place of peace, safety, and worship for all.

Thank you for serving our parish community.
