Please take some time in prayer to consider whether the Lord is calling you to serve in this capacity. we simply want to extend the invitation and see where God might be leading you.

Upcoming Events!

Part of November's liturgical flavor is death. This is the month when the Catholic faithful especially pray for the faithful departed. Death is a decisive moment in the human person's encounter with God the Savior. Helping the Christian to experience this moment with spiritual assistance is a supreme act of charity. It encompasses the patient with the solid support of human relationships to accompany them and open them to hope.
Palliative care and hospice are precious and crucial instruments in the care of patients with serious and complex chronic or terminal illnesses, and they help provide comfort to both the patient and their families.
During the next weeks we will look at these services more closely.

we give thanks to God for giving us our elder brothers and sisters in the Catholic Faith.
They strengthen us by the example of their struggles on earth in following Jesus.
They strengthen us by their prayers from Heaven, through which they turn to the same God who helped them reach Heaven, that God's grace will strengthen us to be faithful on earth, to dwell eternally with God and all His holy saints.
